

**Weill Cornell
Medicine**

Applied Bioinformatics Core

Bioinformatics Clinic

TUESDAYS, 1pm–2pm

Room: LC–504

Zoom: 412 547 498

Are you stuck with a bioinformatics analysis?
Does your code not seem to do what it should?
Do you feel overwhelmed by the myriad
parameters of read aligners?

Let us help you!

epigenomics

transcriptomics

single-cell RNA-seq & Co.

DNA sequencing & variant calling

sequence alignments & phylogeny

generation of publication-ready images

best practices for reproducible computational research
